## 1、目的和适用范围

### 1. Purpose and scope of application

为规范关于认证资格的授予、拒绝、保持、更新、暂停、恢复或撤销认证或者扩大或缩小认证范围方面的工作而制定本规定。

These Provisions are formulated for the purpose of regulating the work on the granting, refusal, maintenance, renewal, suspension, resumption or withdrawal of certification or the expansion or reduction of the scope of certification.

本指导书适用于获证组织的认证资格及认证证书授予、拒绝、保持、更新、暂停、恢复或撤销认证或者扩大或缩小认证范围的工作。

This instruction is applicable to the granting, refusal, maintenance, renewal, suspension, resumption or withdrawal of certification or the expansion or reduction of the scope of certification of the certification organization's certification qualification and certification certificate.

## 2、职责

### 2. Responsibilities

2.1 技术部：负责对客户认证资格的授予、拒绝、保持、更新、暂停、恢复或撤销认证或者扩大或缩小认证范围做出评定。

2.1 Technical Department: responsible for assessing the granting, refusal, maintenance, renewal, suspension, resumption or revocation of certification or expansion or reduction of certification scope of the customer's certification qualification.

## 3、作业流程

### 3. Operation flow

#### 3.1 认证的授予、拒绝

##### 3.1 Grant and refusal of certification

##### 3.1.1 认证资格授予

##### 3.1.1 Qualification granting

技术部对申请组织的管理体系做出是否注册发证或换发新的认证证书的决定，并报法人代表签发认证证书。推荐发证的准则为：

The Technology Department shall make a decision on whether to register or issue a new certificate for the management system of the applicant organization, and report to the legal representative for issuance of the certificate. The criteria for recommending the issuance of certificates are:

1) 未发现不符合项，可直接推荐发证；

1) If no nonconformities are found, certificate issuance can be recommended directly;

2) 发现轻微不符合项，原则上由审核组长验证书面材料，下次现场审核时验证实际纠正效果。如审核组长认为有必要到现场验证的，可经现场验证后推荐发证；

2) In case of minor nonconformities, the audit team leader shall verify the written materials in principle,

	认证资格的授予、拒绝、保持、更新、暂停、恢复或撤销认证或者扩大或缩小认证范围的规定 Provision for the granting, refusal, maintenance, renewal, suspension, reinstatement or withdrawal of accreditation or the extension or reduction of accreditation	版号 Version number	B2

and verify the actual correction effect in the next on-site audit. If the audit team leader thinks it is necessary to go to the site for verification, the audit team leader can recommend the issuance of certificates after on-site verification;

3) 发现严重不符合项，应待申请组织采取纠正措施并经审核组现场跟踪验证确认后，推荐发证；

3) If serious nonconformities are found, the applicant organization shall take corrective measures and recommend the issuance of certificates after on-site follow-up verification and confirmation by the audit team;

4) 一般情况下，认证决定人员不应推翻审核组不予推荐注册的结论。

4) In general, the certification decision maker shall not overturn the conclusion that the audit team does not recommend registration.

### 3.1.2 认证拒绝

#### 3.1.2 Rejection of certification

1) 当审核组提交的审核发现和审核结论不一致时，或提交的审核报告结论与事实严重不符合，影响审核有效性的，虽然审核组做出推荐的审核结论，但认证决定人员可做出拒绝批准的结论。并通过书面方式向客户做出说明。

1) When the audit findings submitted by the audit team are inconsistent with the audit conclusions, or the conclusions of the audit report submitted are seriously inconsistent with the facts, which affects the effectiveness of the audit, although the audit team makes the recommended audit conclusions, the certification decision personnel may make the conclusion of refusing to approve. And explain it to the customer in writing.

2) 当受审核方管理体系运行存在重大问题，包括弄虚作假、资质许可不满足法规要求等，或审核组开出其他严重不符合，审核组做出不予推荐的审核结论时，认证决定人员对此类审核档案审查并做出拒绝批准的结论。

2) When there are major problems in the operation of the management system of the auditee, including fraud, qualification license does not meet the requirements of laws and regulations, or the audit team issues other serious nonconformities, and the audit team makes an audit conclusion of not recommending, the certification decision personnel shall review such audit files and make a conclusion of not approving.

### 3.2 认证保持

#### 3.2 Certification maintenance

3.2.1 获证客户应始终遵守相关法律、法规和管理体系标准的要求，并遵守与机构所签订的认证协议的规定。

3.2.1 The certified customer shall always comply with the requirements of relevant laws, regulations and management system standards, as well as the provisions of the certification agreement signed with the organization.

3.2.2 在认证证书有效期内，获证客户应保持管理体系持续有效运行，监督审核应至

少每个日历年进行一次，首次认证后第一次监督审核应在认证决定日期起 12 个月内实施，第二次年度监督审核与第一次监督审核不超过 12 个月。

3.2.2 Within the validity period of the certification certificate, the certified customer shall maintain the continuous and effective operation of the management system. The supervision audit shall be conducted at least once every calendar year. The first supervision audit after the first certification shall be carried out within 12 months from the date of the certification decision. The second annual supervision audit and the first supervision audit shall not exceed 12 months.

3.2.3 获证客户应确保不以误导的方式使用认证证书、认证标志、审核报告或其中的任何一部分。

3.2.3 The certified customer shall ensure that the certification certificate, certification mark, audit report or any part thereof is not used in a misleading manner.

3.2.4 获证客户的法律地位、组织机构、资源条件、生产规模等发生重大变化可能影响管理体系的运行，应及时书面向市场部通报相关信息。市场部将对其进行评审，必要时将对获证客户追加审核频次或实施再认证，以确认这样的变更是否影响获证客户认证资格的保持。

3.2.4 In case of major changes in the legal status, organization, resource conditions and production scale of the certified customer that may affect the operation of the management system, the customer shall timely notify the Marketing Department of relevant information in writing. The Marketing Department will review it, and if necessary, it will increase the audit frequency or implement re-certification for the certified customers to confirm whether such changes affect the maintenance of the certification qualification of the certified customers.

### 3.3 认证扩大、缩小

#### 3.3 Expansion and reduction of certification

##### 3.3.1 扩大认证范围

###### 3.3.1 Expanding the scope of certification

1) 市场部对获证客户拟扩大认证范围的申请进行评审，满足要求时，必要时签订补充协议。

1) The Marketing Department shall review the application of the certified customer to expand the scope of certification, and sign a supplementary agreement if necessary when the requirements are met.

2) 运营部根据申请评审的信息安排审核组对其进行现场审核，该审核可独立实施，也可以与监督审核或再认证审核一并进行。

2) The Operation Department shall arrange the audit team to carry out on-site audit according to the information of the application for review. The audit can be carried out independently or together with the supervision audit or re-certification audit.

3) 扩大认证范围的结论应在审核检查表及审核报告中做重点描述，并报技术部批准

3) The conclusion of expanding the scope of certification shall be highlighted in the audit checklist and audit report, and shall be reported to the Technical Department for approval before the certification certificate is renewed and reported to the CNCA information system.

### 3.3.2 缩小认证范围

#### 3.3.2 Narrowing the scope of certification

1) 市场部对获证客户拟缩小认证范围的申请进行评审。

1) The Marketing Department shall review the application of the certified customer to narrow the scope of certification.

2) 运营部根据申请评审的信息安排审核组对其进行现场审核，该审核可独立实施，以也可以与监督审核或再认证审核一并进行。

2) The Operation Department shall arrange the audit team to carry out on-site audit according to the information of the application for review. The audit can be carried out independently or together with the supervision audit or recertification audit.

3) 正常监督审核过程发现下列情况，应做出缩小认证范围的决定：

3) If the following conditions are found in the normal supervision and audit process, a decision shall be made to narrow the scope of certification:

- 认证证书描述的场所比获证客户实际经营活动范围大；

(The place described in the certification certificate is larger than actual scope of business activities of the certified customer;

- 部分审核范围因故没有生产工作现场，不能提供体系运行的有效证据；

(Part of the audit scope has no production site for some reason, and cannot provide effective evidence of system operation;

● 客户认证范围的某些部分持续地或严重地不满足认证要求，机构将缩小认证范围，排除不满足要求的部分。

(If some part of the customer's certification scope does not meet the certification requirements continuously or seriously, the agency will reduce the scope of the certification and exclude the part that does not meet the requirements.

4) 在一体化管理体系中，如果缩小其中一个或多个管理体系标准/规范认证时，机构应调查由此产生的对于其他管理体系标准/规范认证的影响。

4) In the integrated management system, if the certification of one or more management system standards/specifications is reduced, the organization shall investigate the impact on the certification of other management system standards/specifications.

5) 缩小认证范围的结论应在审核检查表及审核报告中做重点描述，并最终报机构技术部评定，技术部批准后换发认证证书，并上报 CNCA 信息系统。如获证客户的产品、过程发生了变化，需扩大或缩小认证范围。

3.4.1.5 在一体化管理体系中，如果暂停其中一个或多个管理体系标准/规范认证时，机构应调查由此产生的对于其他管理体系标准/规范认证的影响。

3.4.1.5 In the integrated management system, if the certification of one or more management system standards/specifications is suspended, the organization shall investigate the impact on the certification of other management system standards/specifications.

### 3.4.2 暂停证书的恢复

#### 3.4.2 Resumption of suspended certificates

1) 被暂停的获证组织如需申请恢复的，由运营部依据相关要求决定是否受理。如超出暂停期限，则不能受理恢复证书使用。

1) If a suspended certified organization needs to apply for restoration, the Operations Department shall decide whether to accept it based on relevant requirements. If the suspension period is exceeded, the resumption of certificate use cannot be accepted.

2) 认证客户因未按合同规定期限缴纳认证费而被暂停证书的，若在暂停之日起3个月内缴纳，并提出恢复申请的，可以直接予以恢复证书使用；

2) If the certificate is suspended due to the certification client's failure to pay the certification fee within the time limit specified in the contract, the certificate can be directly restored if the payment is made within 3 months from the date of suspension and the application for restoration is submitted;

3) 如果认证客户因不能在规定的时间内接受监督审核而被暂停证书使用的，需要通过现场审核才能决定是否可以恢复，审核过程中发现的问题采取纠正措施的完成时间应在暂停之日起6个月内（通常3个月内）。如果现场审核是在暂停之日后3个月后实施，需增加的审核人天详见《审核时间管理程序》相关内容，根据增加审核深度和抽样量来决定。

3) If the certification client's certificate usage is suspended due to the inability to undergo supervision and audit within the specified time interval, on-site audit is required to determine whether it can be restored. The completion time for corrective measures to be taken for problems discovered during the audit process should be within 6 months from the date of suspension (usually within 3 months). If the on-site audit is implemented 3 months after the suspension date, the additional audit personnel days required can be found in the relevant content of the "Audit Time Management Procedure", and will be determined based on the increased audit depth and sampling size.

4) 如在监督审核、其他监督活动、再认证审核以及处理投诉，或认证认可监督管理部门监督检查时的反馈等中发现严重不符合而被暂停证书的，而且这种严重不符合情形需要现场验证的，需经现场验证合格后方可恢复。

4) If the certificate is suspended due to serious nonconformity found in the supervision audit, other supervision activities, re-certification audit and complaint handling, or the feedback from the supervision and inspection of the certification and accreditation supervision and management department, and such serious nonconformity requires on-site verification, it can be restored only after passing the on-site
